

Product: **PPSS Bullet Resistant Vest - Hi-Viz Overt (HVV1)**
 Model #: **500119**
 Protection Level: **NIJ Level IIIA+**

Not only an outstanding bullet resistant vest but this hi-viz overt model also provides excellent stab, needle and blunt trauma protection.

Based on our own operational frontline experience and extensive research, we can only stress that an impact based assault is a more likely and frequent type of attack than an assault involving an edged weapon or firearm.
